

Future Role of Cost & Resource Planning Committee

***Overview and Activities History
+
New Goals & Objectives
per GFHC Executive Committee***

June 5, 2009

Historical “Charge” of the Cost & Resource Planning Committee

To benchmark total community health care costs which would be demographically adjusted by age, race, gender, and income; and within specific disease states by provider type/site of service.

Committee Membership
was formed as a subset of GFHC Board, consisting of leadership from local healthcare “**operators**” that could impact, implement, & monitor efforts to improve the local healthcare system

Current "Charge" of the Cost & Resource Planning Committee

Vision/Charge Remains:

To benchmark total community health care costs which would be demographically adjusted by age, race, gender, and income; and within specific disease states by provider type/site of service.

Role in GFHC per Executive Committee:

- Serve as monitoring body for all GFHC committee and task force activities
- Monitor requests/opportunities for local healthcare "stimulus" fund projects
- Direct Data Review Subcommittee's data collection efforts
- Direct/assess continued health information exchange (HIE) efforts & opportunities

New "Charge" of the
Cost & Resource Planning Committee
(per GFHC Executive Committee)

City of Flint Mayor's Auto Task Force:

Cost & Resource Planning Committee will serve as the Mayor's Health Care Impact Subcommittee to the Auto Task Force

**Goals as Auto Task Force's Health Care Impact
Subcommittee:**

- Develop a list of experienced/anticipated areas of impact on health care in Genesee County due to the auto/economic crisis, providing requests for associated needs of assistance for the community for submission to Dr. Ed Montgomery, the federal auto town recovery czar
- Support President Obama's request to Mayor Brown regarding "Mayors for Health Reform"

Today's Revised Agenda / Areas for Discussion

- Begin developing list of impacts on health care in Genesee County due to the auto/economic crisis, and associated community requests to the auto town recovery czar
- Discuss new charge of GFHC's Data Review Subcommittee
 - RECOMMENDATION: Engage Data Review & Jack Wheeler to conduct survey and begin statistical analysis of economic/auto crisis impact on health care utilization & costs in Genesee County
- Review President Obama's request to Mayor Brown regarding "Mayors for Health Reform"
 - No action will be required today as this is dependent on GFHC Board meeting discussion on Access Resolution on June 15th
